

Why FXUA?

Fairfax University of America

Fairfax University of America (FXUA) is a fully accredited non-profit, 501(c)(3) institution committed to setting a new standard in higher education. Through our student-centered approach, we strive to provide the most positive environment for learning available anywhere. Our university offers quality, affordable education that provides students with the necessary learning and leadership tools for a successful career path, and meaningful contributions to the broader community.

PROGRAMS

FXUA has two academic departments offering degrees and certificates in the most in-demand fields. Our expertly designed business and technology undergraduate programs are complemented by unique career and life competency skills, providing you with a marketable degree in a changing world. Our programs are structured to allow students great flexibility in the design and direction of their own studies. To keep pace with the latest developments in technology and teaching, our curriculum and materials are regularly reviewed and revised.

The "Learning to Be" curriculum is comprised of Transformative Learning and Leadership in Practice courses (TLLP), which are solely unique to FXUA. It provides each student the necessary tools to ensure competency, proficiency, expertise, and eventual mastery to take the challenges of life and turn them into opportunities with solutions.

LOCATION

FXUA is situated in the Washington DC metropolitan area – the epicenter of global trade and political influence, providing students with access to diverse industries, influential global players, and immediate internship and employment opportunities.

MICRO-CREDENTIALS

Micro-credentials (MCs) are competency-based certifications that allow earners to showcase learning outcomes mastered during their educational or professional journey. FXUA MCs have been designed from foundational to advanced skills to help students and professionals achieve their learning goals and cope with industry demands.

AFFORDABLE TUITION

As a non-profit university, FXUA is committed to supporting students by providing low-cost, quality education. With our affordable fees and flexible payment plans, FXUA students achieve their educational goals with as little financial stress as possible.

We provide our talented students with the opportunity to start the journey of personal development to become the global citizens they aspire to be. Therefore, we currently offer the FXUA Presidential Scholarship which is a full-tuition scholarship program awarded to qualified degree-seeking students driven to become next generation change-makers in the global community.

UNIQUE ADMISSIONS REQUIREMENT

FXUA has created the Path to Success Program (PSP), its NEW and FREE undergraduate admission process, that caters to the needs of non-traditional modern learners. The PSP gives students an opportunity to learn from past experiences and build the capacities to excel at the next stage of their academic journey. Regardless of GPA or past academic experience, we want to get you on the path to success and college readiness.
