Dear participant,

Annually, the **General Assembly and the International Seminar of the International Cooperation Group of Brazilian Universities** bring together representatives from Higher Education institutions, diplomats, government authorities, and representatives of international organizations from approximately **30 countries across five continents**.

In **Newsletter No. 001** not only the event but also its host city, **Recife-PE**, were introduced.

The capital of the state of Pernambuco, the heart of Brazil's Northeast region, offers diverse transportation options and a wide range of high-quality hotels. Therefore, GCUB has selected some recommendations for **recomendations for accommodation** and **transportation within the iconic city—birthplace of frevo and maracatu**—to make your experience all the more pleasant.

Enjoy!
